## Implementing Service Robot "AISLE Tower Type" verification tests at Nagoya Marriott Associa Hotel.

---

Shintec Hozumi Co., Ltd. has cooperated with Nagoya Marriott Associa Hotel (Nakamura-ku, Nagoya City, Aichi Prefecture) for 16 days from July 21, 2021 to August 5, 2021 and conducted demonstration experiments with the "AISLE Tower Type UV Irradiation Package".

With people and robots collaborating in table making at restaurants and cafes after closing, the AISLE Tower Type disinfected by means of UV irradiation, and verified the use of robots in creating environments that further enhances the safety and peace of mind of customers using restaurants and cafes.

AISLE Tower Type: Other than transporting items, which is the main function, it is a service robot which realizes multi-use in one unit.
