## **Implementing work place inoculations of the New Coronavirus vaccine.**

---

Shintec Hozumi Co., Ltd. has decided to implement vaccinations in the workplace for all employees and their families and acquaintances, in hopes of early stage resolution of new coronavirus infection.

[Overview]

Schedule: Multiple schedules will be set and sequential inoculations will be conducted starting from Monday, August 30, 2021.

Location: Head Office (Miyoshi-city, Aichi-Prefecture)

Vaccine: Manufactured by Moderna

In addition, based on our new corona vaccination policy, if an employee or his/her family has difficulty working due to side effects after vaccination, a special absence (paid vacation) will be allowed, basically up to 2 days, including the vaccination day per vaccination.

We will continue to take measures against the spread of infection, putting the safety and peace of mind of our employees, their families, and our business partners first.
