29th Company Anniversary Greetings

Shintec Hozumi Co., Ltd. (Location: Miyoshi City, Aichi Prefecture, President: Hisashi Kato) celebrated its 29th anniversary this year and held a commemorative ceremony at its head office.

Our prosperity today is owed to the support of our customers, suppliers, related companies, employees as well as the employees' families, and we would like to take this opportunity to thank you from the bottom of our hearts.

Up to now, we have quickly caught the needs of the times, transformed our business, and contributed to resolving social issues.

With digitalization and robotics that combine reality and the digital world at the core it's not just about solving problems. We will continue to evolve as a solution company that contributes to the success of our customers' businesses.

Moving forward, we will continue to inherit our founder's desire to "resolve social issues" and promote solutions that create the future of our customers one step forward, as a company that "moves the future with robotics."

We sincerely request for your continuous support.
