AISLE Factory and UX Room open

Shintec Hozumi Co., Ltd. has renovated its head office (Miyoshi City, Aichi Prefecture) and opened an AISLE factory and a UX room.

< AISLE Factory >

A factory specializing in the production of AISLE, which is active in offices, hotels, and distribution warehouses.

We respond to customer orders speedily.

< UX Room >

A space that eliminated fixed objects, and used virtual space technology (xR) and digital technology to combine real and digital.

We propose solutions through the sense of using products and services.
