Notice for head office air conditioner renewal work (Second Phase)

Shintec Hozumi Co., Ltd. will renew the air conditioner at its head office (Miyoshi City, Aichi Prefecture) in the following three phases.

■ Construction period: Autumn 2021-Autumn 2022

~~First phase of construction (September ~ November 2021)~~

Completed

Second phase of construction (March ~ May 2022)

The completion month will be changed from April to May.

Third phase of construction (October to November 2022)

We will be distributing the work, but air conditioning may not be available when you visit us.

At those times, we apologize for the troubles and inconveniences, and humbly ask for your understanding and cooperation.

This construction is expected to reduce CO2 emissions from the entire head office by 10% compared to FY2020. We will continue to further reduce CO2 emissions in order to achieve carbon neutrality.
