2022 SHOWCASE Summer "USER FRIENDLY & PRACTICAL" was held.

Shintec Hozumi Co., Ltd. held a private exhibition at its head office in Miyoshi City, Aichi Prefecture, for five days from June 20th (Monday) to June 24th (Friday). The specific usage of our robots that can be used in various scenes such as factories, distribution warehouses, hotels, and maintenance were seen. We hope that all visitors will enjoy the experience of using robots from today. We would like to express our sincere gratitude to everyone who came to the event and all the people who supported us in holding the event.
