

August 2022

Notification for "Transport Robot Practical Seminar" being held in August and September

Shintec Hozumi Co., Ltd. is please to inform that a "Transport Robot Practical Seminar" is being held in August and September.

From April 2022, we have been holding regular "Practical Seminars" for customers who have been introduced our transport robot.

Our goal is to enable customers to perform everything from basic operations to inspections, and to help customers understand how the robots work, so that the smooth use of transport robots can be useful for your business.
