SHINTEC HOZUMI

August 2022

Notification of ISO14001 certification renewal

Shintec Hozumi Co., Ltd. has renewed its "Environmental Management System (ISO14001:2015)" certification for its head office (Miyoshi City, Aichi Prefecture). We regard the renewal of ISO14001 certification not as a goal but as the start of our environmentally conscious efforts, and we will continue to make continuous improvements to contribute to society's environmental conservation activities.
