Information on exhibiting at the "Logis-Tech Tokyo 2022"

Shintec Hozumi Co., Ltd. Will exhibit at the "Logis-Tech Tokyo 2022" for 4 days, Sept. 13th (Tues.) to the 16th (Fri.).

At the venue on the day of the event, we will exhibit the NEXT series transport robot "NN-470" which enables automation, efficiency, and labor savings in the transport of goods in warehouses.

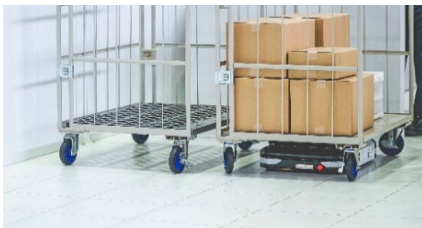

◆Exhibit

Location: Tokyo Big Sight
Venue: East Hall 6
Booth: 6-303

◆Exhibit Contents

NN-470

With a body height of only 136mm, this transport robot can be used as is without modification of the cart currently in use by the customer.

It enables automation, efficiency, and labor savings in lifting all types of cargo and moving items in warehouses.
