Shintec Hozumi accepted students from Nagoya ISEN College of Medical & Welfare for Practical Training

Shintec Hozumi Co., Ltd. accepted a total of six internship students from Nagoya ISEN College of Medical & Welfare for work experience training during the following period.

- ① October 3rd (Mon.)~5th (Wed.): 3 students
- ② October 3rd (Mon.), October 18th (Tues.)~19th (Wed.): 3 students

The purpose of the program was to learn about business operations and health in companies and to understand the role of occupational health nurses. The participants were introduced to the activities of public health nurses and experienced workplace inspections.

In addition, at health events held in the company on October 5 and October 19, the students also had the opportunity to take blood pressure readings as a student-organized event.

We would like to express our deepest gratitude to the students who visited our office and to Nagoya ISEN College of Medical & Welfare.
