

December 2022

Notice of Completion of Air Conditioner Renewal Work at Head Office

Shintec Hozumi Co., Ltd. announces the completion of air conditioning upgrade work at its head office in Miyoshi City, Aichi Prefecture, Japan.

We apologize for the inconvenience to those who visited our company during the construction period.

■ Construction period: Autumn 2021-Autumn 2022

First phase of construction (September ~ November 2021)	Completed
Second phase of construction (March ~ May 2022)	Completed
Third phase of construction (October to December 2022)	Completed

In this construction is expected to reduce the CO₂ emissions of the entire head office by 10% compared to FY2020. We will continue to make further efforts to reduce CO₂ emissions in order to achieve carbon neutrality.
