## Received the Excellence Award at the 6440th QC Circle Aichi District Lively Case Study Conference

Shintec Hozumi Co., Ltd. participated in the 6440th QC Circle Aichi Area Lively Case Study Conference held at the Aisan Bunka Kaikan (Obu City, Aichi Prefecture) on Thursday, April 20, and received an award for excellence.

Our company conducts QC circle activities as an opportunity to promote improvement activities and develop human resources that contribute to company management, and this time the QC circle from the Human Resources and General Affairs Department participated.

<Participating Teams>

- Theme: Cafeteria Retention Crisis!?
- Circle name: Diversity☆Hunter Circle
- Contents: Aim for the realization of Carbon Neutral, focus on cafeteria management.  
Reduce CO<sub>2</sub> emissions by reducing food waste generated from cafeterias.  
In addition, a compost station was installed in the farm on the grounds of the head office to compost food waste.  
By using the compost for growing vegetables, we have created a system that cycles within the company.
