

January 2021

Exhibited at the "5th SMART FACTORY Expo"

Shintec Hozumi Co., Ltd. presented an exhibit January 20th ~ 22nd, 2021 and displayed for the "5th SMART FACTORY Expo".

We received the official Emergency Declaration for COVID-19 and restrained from displaying at the Tokyo Big Site, thus we held an exhibition for customers who previously registered as well as an online product introduction at our company's showroom.

We would like to express our heartfelt gratitude to everyone who visited our offices and the online exhibition.

The newly unveiled "NN-400" (Right) and the "NS-300 concept model"(Left) of the Smart mobile robot Next Series.

The state of exhibit is open to the public on YouTube.
